

Ms. Liu
Third Grade
Room 206

Week of November 2

ELA 語文

The third graders will learn new spelling words focus on -ed, -ing, -er, and -est. Also, they will learn to identify different types of sentences. 三年級學生將會學到新的單詞並需要開始分辨不同的句子。

1 2
3 4

Math 數學

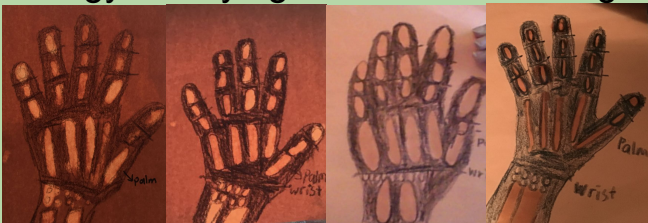

We will start with the concept of Multiplication. Students will need to be able to use different ways to represent a Multiplication sentence. 我們將開始了解乘法的定義。學生必須要會利用不同的方法來呈現出乘法句子。

Science 自然

Mystery Science: Who invented candy?
神秘自然題目：誰發明糖果？

Yongyi Jiaying Wanzhi Yaolong

Social Studies 社會

Students should use this week and the weekend to finish the project. We will start to present our projects to the class the following week. 學生必須利用這禮拜和週末來完成他的作品。我們將在下禮拜展示給班上學生。

Celebrations 慶祝
