### Math 數學

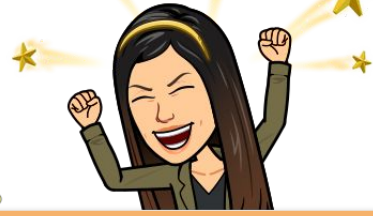

We have started the concept of Multiplication. Students will learn different ways to represent a multiplication sentence: equal groups, repeated addition, and arrays. 我們已開始乘法。學生會學到利用不同的方法來解釋乘法句子：同組圖片，連續加法和排列。

### Science 自然

We will start a new unit: Powers of Flowers. We will talk about the idea of how plants reproduce and pass on their traits. Mystery Science: Why do plants grow flowers? 我們會開始新的自然單元：花的力量。我們會討論植物如何繁殖並傳它們的性質。神秘自然題目：為什麼植物會開花？

# HELLO 2ND QUARTER

### Social Studies 社會

We will learn about Veterans using Scholastic Magazines. This week students will start presenting their Genius Hour Project. 我們會學到軍人節利用雜誌。這禮拜學生將開始介紹他們的作品在天才小小時。

### Celebrations 慶祝

🎉 Hooray! We just finished the first quarter! We used Gimkit to help us review the concepts. Look at Kenny who got all 6 stones! 耶！我們完成第一學期。我們利用Gimkit來幫助我們複習學到的課程。班上的Kenny贏到六顆石頭成為最後的贏者！
