Social Studies Weekly. Writing a biography about President Trump (Federal), Governor Pritzker (STATE), Mayor Lightfoot)

Science: SuperScience: Space Suit Design story. Project starting and due Thursday. The students will participate in a Spacesuit designer activity.

Reminders

Let students know if your family has taken the census. Please fill out parent survey about remote learning. [Parent survey](#)

Don't forget to complete the emergency forms and lunch forms provided. Hard copies are available at Haines School. Please note that the Family Income and Information Form (lunch forms) impacts Haines School's funding for the next school year. This is a very important form that we need from EVERY family this year. The [link](#) is provided.

Celebrations

We survived all the computer glitches. We adapted to the schedule and got on meetings. We were more focused in class with our cameras on. We were able give shout outs to classmates.

Star of the Week

Leahemiah Johnson- She participates in every meeting. She asks for help from the teacher. She completes all her work. She encourages her classmates. She even dances with the music that the teacher plays. Cheers to Leahemiah!!!
