

PLATnM-B

Week of 10/12/20

P.E.

Please try to get a soccer-like ball to use soon. Please also keep filling out the weekly Quiz in Google Classroom for full credit. This week the K-2 cluster is still working on locomotor movements, 3-5 on striking and baseball, and 6-8 on Fitnessgram testing.

Mr. Hennessy cmhennessy@cps.edu

Library

K - 3 students will continue with our nonfiction text, *Cute as an Axolotl* this week. What's an axolotl, ask your child to show you. 4th - 6th are continuing to researching some amazing children, they'll be adding their own soon. Junior high students will be learning about our upcoming election and voting in the United States. Have a great week! Mrs. Dowling

Art

Hi Everyone! K-1 have been doing an excellent job with color theory and using Primary colors to make Secondary Colors...next up: Warm and Cool. Please ensure your child has signed into SeeSaw, link is in their Google Classrooms for Art. Grades 2 & 3 have been working on contour line drawing & abstract art. Next up: Color Theory. Grades 4 - 8 have been working hard on their Major Project using graphic organizers and research...soon we will start on their *Masterpieces*. ***Please make sure all your assignments are done on time.**

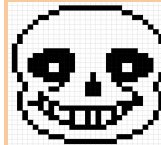

Mrs. Cairns clcairns@cps.edu

Thank you!

Technology

WE EXCEL, everyone!

- Students created Pixel Art using Google Sheets.
- Upper grade worked on high school and career exploration.
- We will discover more Google Sheets functions next week.

MR. TANG (rytang@cps.edu)

Music

In Week 5, 2nd and 3rd began a Halloween song and Rhythm game while 4th-5th performed rhythms with different body-percussion combinations. 6th-8th grade added a melody to their song project and K-1 began learning loud and soft dynamics! Don't forget to check your Google Classroom for all assignments and lesson materials!
