

PLATnM-B

Week of 10/19/20

P.E.

All 3rd-8th grade students need a soccer-like ball for the next few weeks. Please keep filling out the weekly Quiz in Google Classroom. This week the K-2 cluster is working on underhand toss while 3rd-8th is beginning soccer agility and foot dribbling skills.

Library

Halloween will be here soon. We are reading some halloween stories and learning about bats in K-3. In 4th - 6th we are going to begin reading fiction and discussing characters. 7th-8th graders began reading our presidential candidates' biographies and learning about the electoral college. Don't forget to complete your google classroom assignments. Happy Fall! Mrs. Dowling rmdowling@cps.edu

♥ Art ♥

Hi Everyone! K-1 have been doing an excellent job with color theory and using Primary colors to make Secondary Colors...next up: Warm and Cool. Please ensure your child has signed into SeeSaw, link is in their Google Classrooms for Art. Grades 2 & 3 have been working on contour line drawing & abstract art. Next up: Color Theory. Grades 4 - 8 have been working hard on their Major Project using graphic organizers and research...soon we will start on their *Masterpieces*. ***Please make sure all your assignments are done on time.**

Mrs. Cairns clcairns@cps.edu

Thank you!

Technology

WE EXCEL, everyone!

- Students discovered which classes, snacks, and free time activities their classmates like and used Google Sheets to visualize the survey data.
- Students are going to create their own survey using Google Forms and linked the results to Google Sheets next week. What questions students might have for their classmates?

MR. TANG (rytang@cps.edu)

Music

In Week 6, 2nd and 3rd sang their Halloween song and Rhythm game while 4th-5th performed rhythms with different body-percussion combinations. 6th-8th grade continued their song project and K-1 are using loud and soft dynamics and learned a new Teddy Bear song! Don't forget to check your Google Classroom for all assignments and lesson materials!
