Math - Agostinelli

Students have been doing a great job with division models and strategies! We will wrap up Topic 5 this week, and our Topic 5 Assessment will be on Friday. Reviewing problems in the math workbooks is a great way to study, and our Math Practice Log will have targeted assignments to build endurance and confidence with dividing whole numbers. <http://bit.ly/MsAgostinelli>

315 Math meets DAILY from 9:15AM-10:00AM

Celebrations

Happy Birthday, January Star!

William Huang - Jan. 29

Science/SS - Yau

Star of the Week

Science: Patterns of Earth and Sky Unit:

The class is reminded of what chromatography is. Students will explore the Fan Model as an additional model of chromatography as a way to apply and expand their understanding of the particulate nature of matter. They are introduced to the roll of observation and an inference in Science.

315 Science Meets DAILY from 11:00 AM - 11:30 AM

Social Science:

Students work on Studies Weekly Week 12: Communicating Conclusions. They will learn what empathy is and learn about Malia who is making a difference in the world. Students will know tools to help them apply inquiry to problems. 315 Science meets DAILY from 1:45 PM - 2:15 PM
