

Mrs. Yau
5th Grade

Week of Mar. 8 - Mar. 12, 2021

 ELA - Yau

We will be finishing the novel **Roll of Thunder Hear My Cry**. Students will create questions on a jamboard to use during our group discussions. Comprehension test on Friday. March is Women's History Month. We will be reading about different influential women in history.

Word Study Focus: Prefix Post- (test Friday)
Grammar Focus: Conjunctions (test on Friday)
315 Reading meets DAILY from 8:10AM but on Wednesdays we meet at 7:45AM.

 Math -
Agostinelli

Students did a great job adding and subtracting fractions with unlike denominators. This week, we will venture into mixed numbers. Students will apply estimation strategies, look for patterns, and begin to make connections to what we have already learned about fractions to add and subtract numbers in this new form. Attendance and participation are huge keys to success in math! <http://bit.ly/MsAgostinelli> 315 Math meets DAILY from 9:15AM

 Science/SS - Yau

Science: Patterns of Earth and Sky Unit:

Students will investigate what happened at the nanoscale in the Flavor Ingredients Test. To do this, they will explore with the SIM, which allows students to combine molecules of different substances in a dish to see what happens at the nanoscale. They will also read a fictional book *Solving Dissolving* to learn about dissolving. 315 Science Meets DAILY from 11:00 AM but on Wednesdays we meet at 10:00AM

Social Science:

We will continue with Studies Weekly: Week 16 - Bill of Rights. We discussed the 1st, 2nd, and 5th amendments. This week they will learn about amendments 3,4, and 6-10. 315 Science meets DAILY from 11:30AM but on Wednesdays we meet at 10:30AM
