Week of Apr. 5 - Apr. 9, 2021

ELA - Yau

We will continue reading **Revolution is Not a Dinner Party** this week. In Chapters 3-4, students will revisit setting as they practice summarizing and put their new vocabulary words to use.

Asynchronous time should be spent re-reading each chapter this week as students complete their assignments.

315 Reading meets DAILY from 8:10AM but on Wednesdays we meet at 7:45AM.

3 4

Math -
Agostinelli

We begin Topic 8: Apply Understanding of Multiplication to Multiply Fractions this week! Students will use models to multiply fractions and whole numbers this week to begin to recognize patterns and relationships that will help develop a conceptual base for multiplying fractions. Our Dreambox challenge continues! Students complete 5 lessons per week.

<http://bit.ly/MsAgostinelli> 315 Math meets DAILY from 9:15AM

Science - Yau

Modeling Matter Unit:

A new chapter begins, students will continue to work toward making a salad dressing with particular properties, shifting their focus to creating a salad dressing that will not separate into layers. They will investigate at the observable level, construct nanovision models and finally read to building understanding.

315 Science Meets DAILY from 11:00 AM but on Wed. we meet at 10:00AM

Reminders

- **April 15** is the end of 3rd Quarter!
- **April 16** is a school improvement day and there will be **NO** classes.
- ★ **April 21** is Virtual Report Card Pick-Up. I will send information soon regarding signing up for a time for us to discuss your child's progress.
- **April 5-May 14-** IAR TESTING.
- ➔ Student Weekly Syllabus: [Weekly Plan](#)
- ➔ Office Hours: 2:00-2:35 PM Daily.

Celebrations

- Spring is here! Catch some sun and enjoy the outdoors when possible!
- Great job students in creating a radio commercial selling a product!

Happy April Birthday Taliyah! 4-24

Social Science - Yau

WK 18 of our Studies Weekly curriculum covers the expansion of U.S. as a new country, in the 19th century. We will read about heroes who had new ideas that paved the way such as John Deer, Henry Clay, and many writers of literature. We will discover how technology and engineering made these new ideas and dreams possible.

315 Science meets DAILY from 11:30AM but on Wednesdays we meet at 10:30AM
