Week of Apr. 19 - Apr. 23, 2021

ELA - Yau

Students will read chapters 7-8 in Revolution is not a Dinner Party. We will review the skill of identifying main ideas and supporting details as we continue to focus on comprehension and summarization skills. Reread and study the chapters. There will be a quiz on Friday.

315 Reading meets DAILY from 8:10AM but on Wednesdays we meet at 7:45AM.

1 2
3 4

Math - Agostinelli

We will finish Topic 8 this week. Students have learned how to multiply fractions with whole numbers and with other fractions. On Monday and Tuesday, we will apply what we have learned to mixed numbers. On Thursday, students will review in groups, and on Friday, we will take the Topic 8 Assessment. <http://bit.ly/MsAgostinelli>

315 Math meets DAILY from 9:15AM

Science - Yau

Modeling Matter Unit:

Now that students have explored why liquid mixture separate, the class shifts to thinking about how liquid mixtures that normally separate can stay together. Students conduct stability tests and learn about emulsifiers at the nanoscale and observable scale.

315 Science Meets DAILY from 11:00 AM but on Wed. we meet at 10:00AM

Celebrations

Congratulations myLexia.com SUPERSTARS! You completed your Target Minutes!

- ★ Ya Lin, Chutong, Yikang, Ziheng, Kyle, Yayu
- ★ Qiao Ying, Emwanmwosa, Xiaomin

Thank you Ms. Talley for organizing guest speakers to share to the class about Internet Safety!

Happy April Birthday Taliyah! 4-24

Social Science - Yau

We will cover Week 20 in our Studies Weekly Curriculum. Students will learn about the Cherokee Nation by exploring the Trail of Tears, leaders such as Sequoyah, and Osceola, and the Seminole Nation. They will also use map reading skills to learn about how the boundaries and locations of American Indian lands have changed over time.

315 Science meets DAILY from 11:30AM but on Wednesdays we meet at 10:30AM
