

Mrs. Yau  
5th Grade

Week of Oct. 12 - Oct. 16, 2020

 ELA - Yau

We are diving deep and reading Chapters 6-10 of the novel closely to gain a deeper understanding of the characters thoughts, words, and actions and how it changes their development throughout the text.

Students will continue to engage in collaborative discussions, provide text evidence as well as learning strategies such as summarizing and finding main ideas/themes.

315 Reading meets DAILY from 8:00AM-9:00AM

 Math -  
Agostinelli

Students will dig deeper into subtracting decimals to the hundredths, and we will review addition and subtraction in preparation for our Topic 2 Assessment next week. Encourage students to practice all of their skills on our approved sites under the Math tab here: <http://bit.ly/MsAgostinelli>

 Science/SS - Yau

Science: Patterns of Earth and Sky Unit:

Students will continue to **focus on pattern-seeking** as a scientific practice and begin to look for patterns in order to help them make sense of data from their investigation. They will provide evidence for their ideas by watching videos, using modeling tools, and textbook readings.

315 Science Meets DAILY from 11:00 AM - 11:30 AM

Social Science:

This week, students will learn about the REGIONS of the United States. There are 6 regions that we will be studying: (1)Northeast, (2)Midwest, (3)Northwest, (4)Southwest, (5)Southeast, and (6)West.

\*\*\*\*\*Remember to study for your weekly test. \*\*\*\*\*
