Week of Oct. 26 - Oct. 30, 2020

ELA - Yau

We are diving deep and reading Chapters 16-20 of *Freak the Mighty* novel. Our focus will be character thoughts, words, and actions and how it changes their development throughout the text, vocabulary and comprehension.

Students will continue to engage in collaborative discussions as we summarize and finding main ideas/themes of each chapter. Our prefix of the week are il-, im-, in-, ir-.

Math -
Agostinelli

Students worked last week to identify patterns in multiplying by powers of 10 and strategies for estimating products to check for reasonableness of answers. They will build on this learning to multiply 3-digit numbers by 2-digit numbers and whole numbers with zeros. Practice logs should be completed daily!

Science/SS - Yau

Science: Patterns of Earth and Sky Unit:

Students are ending Chapter 2 by using a Modeling Tool to show their ideas about what people in the same place might see in the sky at different times. After considering additional features of a scientific explanation, they will write their own scientific explanation answering the question: Why is the sun up sometimes, but not other times?

315 Science Meets DAILY from 11:00 AM - 11:30 AM

Social Science:

This week students will understand the decision making process of individuals and groups, how members of Congress & the president are elected, and look at the historic voting patterns and the methods that have been used successfully to address voting rights.

****Remember to study for your weekly test. ****

315 Science meets DAILY from 1:45 PM - 2:15 PM
