

Mrs. Yau
5th Grade

Week of Oct. 5 - Oct. 9, 2020

 ELA - Yau

We will be reading ***Freak the Mighty*** by Rodman Philbrick as a class. Please make sure that your student is prepared and actively participating. The big theme of this novel is identity and acceptance.

Students will learn to take notes and engage in collaborative discussions, provide text evidence as well as learning strategies such as summarizing and finding main ideas/themes.

- Chapters 1-5 Weekly vocabulary and comprehension tests will be given on Friday.

315 Reading meets DAILY from 8:00AM-9:00AM

Math -
Agostinelli

Students continue to explore strategies for adding and subtracting decimals to the hundredths. They have learned about compensation, breaking apart, and estimation. Ask them to show you their skills by solving problems mentally!

315 Math meets DAILY from 9:15AM-10:00AM

Science/SS - Yau

Science: Patterns of Earth and Sky Unit:

In Chapter 1, students played the role of astronomers as they investigated why most stars were not visible during the daytime. Now they will **focus on pattern-seeking** as a scientific practice and begin to look for patterns in order to help them make sense of data from their investigation.

315 Science Meets DAILY from 11:00 AM - 11:30 AM

Social Science:

This week, students will learn about the **REGIONS** of the world. The regions we will be studying are organized around the 7 continents of the world. Remember to study for your weekly test.

315 Science meets DAILY from 1:45 PM - 2:15 PM
